

February 28, 2017

Dear Amy's Place Friends:

I am writing this letter to you with great gratitude and great appreciation for your support and prayers for Amy's Place over the past 10 years. During that time, Amy's Place has helped nearly five thousand local children and youth. Please know that without you it would have been impossible. It is with sadness in my heart that I am letting you know Amy's Place will close on Friday, March 31st.

Amy's Place has always been a program of Old Town Christian Ministries (OTCM). Even though Amy's Place will end, OTCM will continue as a faithful 501-3C non-profit serving our community as it has since 1980. I am working on a new program called Let's Go - Community Engagement Services which will be rolled out on its new website soon. This program is a one-on-one service that connects clients to family/friends, familiar places and available resources in our community. Once connected, this program will support their participation, interaction, and integration into the community.

While I am currently working with four clients with developmental disabilities, this program is also available to seniors and people with disabilities struggling to get out in their community and reconnect to friends, family and places they used to love to go. If you know of people who need assistance accessing our community, please contact me: 360-920-0615. Amy's Place website will soon be replaced by Let's Go - Community Engagement Services and will provide more information.

For all your support over the past 10 years, I can't thank you enough. I am so very grateful and know without **you**, Amy's Place would not have been here for the thousands of kids who needed it. I hope another non-profit or church will take on this opportunity to help the most vulnerable in our community, our youth and children.

Sincerely,

Heidi Unick
